Tasting Notes

Here you'll find jammy aromas of blackberry, raspberry, boysenberry and cherry, as well as black pepper, cloves, anise and herbs. Behold rich, fruit-forward flavors of the same realm, with a tobacco spice tannin profile, a touch of sweetness, and the perfect amount of acidity to temper rich foods.

Winemaking Notes

The Zinfandel base of this wine is from a dry-farmed, head-trained ancient Zinfandel vineyard. The Zinfandel cofermented with a touch of Petite Sirah skins to produce a suitably bold, full-bodied wine. The wine aged in 100% American Oak for 18 months to let the tannins soften just enough.

Food Pairing

Pair this wine with all of your favorite indulgent foods, and don't skimp on the BBQ sauce! Juicy burgers with so many fixins. Or, all the barbecue, with a side of coleslaw and beans. Try it with Moroccan or Turkish spiced dishes. Unapologetically vegetarian? Stuffed bell peppers, zucchini or loaded sweet potatoes with lots of spice do the trick.
